出版者:Cleis Press

出版时间:1998-9-3

装帧:Paperback

isbn:9781573440295

One of Argentina's 30,000 "disappeared", Alicia Partnoy was abducted from her home by secret police and taken to a concentration camp where she was tortured, and where most of the other prisoners were killed. Smuggled out and published anonymously, THE LITTLE SCHOOL is Partnoy's memoir of her disappearance and imprisonment.
