FLAG

An American Biography

"This book brings out the irony, humor, myth, and behind-the-scenes happenings that make our flag's [two-year] history so fascinating." — *The Saturday Evening Post*

Foreword by NELSON DEMILLE

MARC LEEPSON

装帧:Paperback

isbn:9780312323097

The thirteen-stripe, fifty-star flag is as familiar an American icon as any that has existed in the nation's history. Yet the history of the flag, especially its origins, is cloaked in myth and misinformation. *Flag: An American Biography* rectifies that situation by presenting a lively, comprehensive, illuminating look at the history of the American flag from its beginnings to today.

Journalist and historian Marc Leepson uncovers scores of little-known, fascinating facts as he traces the evolution of the American flag from the colonial period to the twenty-first century. *Flag* sifts through the historical evidence to---among many other things---uncover the truth behind the Betsy Ross myth and to discover the true designer of the Stars and Stripes. It details the many colorful and influential Americans who shaped the history of the flag.
