Rees, the Jerusalem bureau chief for Time magazine, tells the stories of individuals to illustrate larger truths about Israeli and Palestinian societies, and how each is at war not only with its enemies, but with itself. The internal rifts, Rees says, impede the chances for a peaceful resolution to the ongoing conflict. He suggests they are also the reason Westerners and other outsiders cannot offer viable solutions. Each chapter concentrates on one or two people, based on Rees's interviews with major figures and everyday citizens on both sides, to reveal the chaos at the heart of the war.

## 评论

作者在这本书里没有讲巴勒斯坦和以色列之间的争端,而是讲巴勒斯坦内部,Fatah和HAMAS之间的矛盾,,以色列内部,左派和右派之间矛盾.从以色列逃出来的巴勒斯坦人也很可怜啊,当初的难民营,演化成贫民窟.难怪激进的HAMAS在那里有号召力.
