From the first parachute drops in North Africa to the final battles in Germany, U.S. Ranger and Airborne troops saw the worst action of World War II. In *Beyond Valor*, Patrick O'Donnell, a pioneer of Internet-based "oral history" who has collected the first-person stories of hundreds of veterans on his online oral history project, re-creates the frontline experience in stunning detail, weaving together more than 650 "e-histories" and interviews into a seamless narrative. In recollections filled with pain, poignancy, and pride, veterans chronicle the destruction of entire battalions, speak of their own personal scars, and pay tribute to their fallen colleagues. *Beyond Valor* brings to light the hidden horrors and uncelebrated heroics of a war fought by a now-vanishing generation and preserves them for all future generations.
