出版时间:1986-7

装帧:HRD

isbn:9780940450356

Judged to be one of the greatest histories in English, this monumental work culminated Adams' lifelong fascination with the intertwined pasts of his family and his country. Carefully researched and written in a strong, lively, and ironic style, the "History" chronicles the consolidation of American nationality and character amidst the dangerous conflicts of the Napoleonic era. The original 9-volume edition, long out-of-print, is complete in these two volumes.
