出版者:Yale University Press

出版时间:1997-2-27

装帧:Paperback

isbn:9780300072051

This highly acclaimed book -- hailed as the definitive account of the Julius and Ethel Rosenberg case -- now includes a new introduction and epilogue that discuss the most recent evidence. It provides information from the Khrushchev and Molotov memoirs, the Venona papers, and material contained in a Discovery Channel documentary that will be shown in March.
