219 years ago you were given the right to practice the religion of your choice. 219 years ago you were given the right to say what you wanted without persecution. 219 years ago it was written that your house and property were secure from unreasonable search and seizure. 219 years ago you were given the right to a public trial. 219 years ago, fifty-five men you will never know sat in a sweltering room and they fought and argued for you. 219 years ago you were given your rights as a citizen of the United States. This fall, as we return again to the ballot box to decide the course of our country's congressional and state leadership, every voter must find their way back to that room in Philadelphia. Welcome Books is proud to provide a map. The Constitution of The United States of America, inscribed and illustrated by the master calligrapher Sam Fink, brings to life the issues underlying the triumphs of this abiding document. Originally published in pen and ink for Random House in 1987, Sam has, at the request of Welcome Books, gone back to the original black-and-white art and painted it entirely, creating a full-color masterpiece. Each amendment, each article, each word so thoughtfully placed in the Constitution has been given Sam's profound touch. With a powerful intelligence and a wonderful sense of humor, he has provided us with an entry point, allowing us to read this essential document better, more clearly. Welcome Books is honored to present a full-color limited edition of Sam's startling work as well

as a trade edition, exquisitely designed and produced – matching in its manufacture the stunning quality of Sam’s ambition and the gravitas and significance of the original document. The Constitution of The United States of America is the document we must read again and again. There is no more important document in our country. It is the document we must have an intimate knowledge of. It is the document that we must never forget. 219 years ago, you were entrusted with a living document. Have you kept it safe? To begin, we must read it. This, Sam, in his direct and unadorned way, respectful and loving, helps us do. This limited edition features: 1,500 copies, printed on Synergy paper, clamshell box, signed print.
