Ohio is about much more than corrupt politicians and voter fraud. The BRI's crack team of investigators have combed the countryside and scoured the cities to uncover the things that make Ohio such a special place. In addition to Buckeye-based puzzles, quizzes, and trivia, this guide includes hometown profiles, Ohio firsts, state facts and symbols, and noted Ohioans from the infamous (Civil War nurse and spy Mary Edward Walker) to the heroic (astronaut John Glenn and America's first federal judge, Florence Ellinwood Allen) to the legendary (Johnny Appleseed).
