著者:Riasanovsky, Nicholas V./ Steinberg, Mark D.

出版者:Oxford Univ Pr

出版时间:2004-12

装帧:Pap

isbn:9780195153927

Riasanovsky's "History of Russia" has defined the market and set a standard for accurate, balanced interpretation, and attention to political, social, and cultural history and international relations. Featuring a new co-author, Mark Steinberg, this seventh edition includes more information on the politics and economics of post-Socialism and on post-Soviet society and culture. Volume one covers early Russia through the nineteenth-century.
