isbn:9780811705202

In the world of historical painting, Don Troiani stands alone, universally acclaimed for the accuracy, drama, and sensitivity of his depictions of America's past. His Civil War paintings and limited edition prints hang in the finest collections in the country and are noted by collectors from around the world. Now, in "Don Troiani's Regiments and Uniforms of the Civil War", the artist turns his brush to one of the most colourful and captivating aspects of Civil War history: the individual units that earned their reputations on the battlefield and the distinctive uniforms they wore. In addition to 130 paintings of battle scenes and individual figures, the book also includes more than 250 full-colour photographs of the uniforms the soldiers wore and the accoutrements they carried. Supporting the illustrations is text by two of the leading military artefact experts. Taken together, it makes for one of the most comprehensive books on Civil War uniforms ever undertaken.
