

Sobriety and Mirth

[Sobriety and Mirth_ 下载链接1](#)

著者:Al-Jahiz, Abu Uthnan Amr

出版者:Columbia Univ Pr

出版时间:2001-1

装帧:HRD

isbn:9780710306975

These extremely entertaining shorter pieces by the leader of Islamic literary culture aim to instruct us on matters of moral and social concern. They cover such uses as chanteuses, the pleasure of girls and boys, this life and the life to come, drink and drinkers, envy, and the superiority of the front to the back. Always taking a moral tone, Jahiz seldom fails to lighten with humour and wit.
