In 1914, an expedition headed by Sir Ernest Shackleton set out to be the first to cross the continent of Antarctica. Shipwrecked and marooned for months on end, their ill-fated voyage became a triumphant story of indomitable courage and faith in the face of astounding obstacles. A bestseller since it was first published in 1959, Alfred Lansing's "Endurance" now features a foreword and afterword from Dr. James Dobson--inspiring every reader to persevere no matter how impossible the challenge.
