出版时间:2003-7

装帧:Pap

isbn:9780072839999

This is an affordable two-volume anthology for introductory American history courses in which instructors use primary source materials to supplement the main textbook. A balanced collection, it features readings from a variety of fields of history, including economic, political, cultural, and social. Each volume contains approximately 75 pieces, including traditional political treatises, songs, diaries, orations and speeches, and journals. Chapter introductions accompany the selections.
