Archaeological discoveries indicate that Africa was the birthplace of humankind. African History For Beginners provides striking visuals and fascinating text which bring to life this continent of riches and wonders, and also of people often unknown or misunderstood. Explore the rich history of the continent of contrasts. Discover the glory of the Pharaohs, the Towers of Zimbabwe, the cosmology of the Yoruba, and the courage of the Masai. The plight of the African nations has gained the world's attention, yet the African culture is usually overlooked. African History For Beginners is a unique documentary portrait of the African's struggle to preserve their cultural heritage and homeland.
