Some fifty years ago, while a cub reporter, Jay Barbree caught space fever the night that Sputnik passed over Georgia. He moved to the then-sleepy village of Cocoa Beach, Florida, right outside Cape Canaveral, and began reporting on rockets that fizzled as often as they soared. In "Live from Cape Canaveral," Barbree—the only reporter who has covered every mission flown by astronauts—offers his unique perspective on the space program. He shares affectionate portraits of astronauts as well as some of his fellow journalists and tells some very funny behind-the-scenes stories—many involving astronaut pranks. Barbree also shows how much the space program and its press coverage have changed over time. Warm and perceptive, he reminds us just how thrilling the great moments of the space race were and why America fell in love with its heroic, sometimes largerthanlife astronauts.

书评

一个多年采访美国航天的老牌记者 一个和许多航天员是朋友的记者
一个典型的美国记者 看这书了解好多航天幕后的趣事
看这书能更好的学习美国式英语，而不是
chinadaily上典型化的条框式英语，这和看读者文摘感觉类似。
这不算是正史，但读来有趣得很，还学了好多俚语
