出版者:Routledge

出版时间:2007-4-12

装帧:Hardcover

isbn:9780415380461

This compelling text sheds light on the important but under studied trans-Saharan slave trade. The author uncovers and surveys this, the least-noticed of the slave trades out of Africa, which from the seventh to the twentieth centuries quietly delivered almost as many black Africans into foreign servitude as did the far busier, but much briefer Atlantic and East African trades. Illuminating for the first time a significant, but ignored subject, the book supports and widens current scholarly examination of Africans' essential role in the enslavement of fellow-Africans and their delivery to internal, Atlantic or trans-Saharan markets.
