著者:Watt, Jeffrey R.

出版者:Houghton Mifflin

出版时间:2004-6

装帧:Pap

isbn:9780618435777

Part of the Problems in European Civilization series, this volume includes secondary-source essays organized around the major controversies and interpretations of Reformation history, including The "Successes" of the Reformation and The Reformation of Rituals, with an emphasis on how the effects of the Reformation unfolded over time. The text is suitable for upper-level courses focused exclusively on the Reformation, as well as courses in Western Civilization, early modern Europe, or Renaissance history. Pedagogical tools include chapter introductions, timelines, illustrations, maps, and suggested readings.
