装帧:Pap

isbn:9780415316873

Constance Berman presents an indispensable new collection of the most influential and revisionist work to be done on religion in the middle ages in the last couple of decades. Bringing together an authoritative list of scholars from around the world, the book provides a valuable service to students of religious history in providing a compilation of the most important new work. "Medieval Religion: New Approaches "is essential reading for all those who study the middle ages, church history or religion.
