The most complete and beautiful history of Santa Monica Beach ever compiled More than 225 images -- most never before published. Images from 1877 by Carleton Watkins, H.F. Riles, Adelbert Bartlett, Valentin Wolfenstein, E.G. Morrison, Van Buskirk and Collins and more Ernest Marquez began collecting images more than 50 years ago, to trace the history of his family. The Marquez and Reyes families owned the Mexican land grant that encompassed Santa Monica Beach. In so doing, he has uncovered images from the earliest days. His attention to historical facts makes any other book on Santa Monica obsolete. This author is the expert par excellence. One of the world's most popular and beloved beaches is now accurately documented in a book for the

world to treasure.
