著者:Boles, John B.

出版者:Prentice Hall

出版时间:2003-11

装帧:Pap

isbn:9780131835498

This text offers a highly analytical, gracefully written narrative of the entire sweep of southern history, from the first settlement by Native Americans to the present. Comprehensive, interpretive, and inclusive, with much attention given to politics, society, economics, culture, religion, women, and blacks, it offers a discussion of regional variation within the South and broadens its coverage beyond the traditional emphasis on the Atlantic seaboard states. The South Through Time is the most up-to-date, analytical, and stylishly written history of the region available on the market. New edition features recent scholarship, several new examples, updated coverage through 2002 Elections and updated Readings.
