New York Times best-selling author Malachy McCourt offers an authoritative and engrossing one-volume chronicle of Ireland from pre-Christian times to the present, told with Irish flair by the gifted storyteller. The pages are populated with figures from myth, history, and the present, from Saint Patrick to Oliver Cromwell, James Joyce, Samuel Beckett and Charles Parnell, to Sinéad O' Connor and Bono. Some beloved, some controversial-each influenced the course of Irish and world history. While McCourt vividly describes Ireland's turbulent history, he also offers a cultural survey with fresh insights to the folklore, literature, art, music, and cuisine of Ireland, producing an irresistible tour through the Emerald Isle.
