出版者:Harlan Davidson

出版时间:2003-1

装帧:Pap

isbn:9780882959948

Featuring four entirely new essays as well as new maps, photographs, an appendix, and a comprehensive index, this latest edition of a popular text considers the history of Texas from the pre-Columbian period to the present. A thoughtful balance of sequential and topical chapters, this engaging and affordable book -- useful as a reader or a core text -- remains a favourite of student readers and instructors alike.
