This new Seminar Study presents a straightforward, matter-of-fact analysis of the encounter between the Third Reich and the Jews. David Engel sets out to clarify the basic facts and to explore the possible reasons why 5.8 million European Jews died in its course. As with a murder investigation, he sifts the evidence relating to motives, means and opportunities for the killing of European Jewry. In the process he raises some vexatious and sharply contested questions: Why was it a German government that perpetrated the mass murder? What led that government to the conclusion that all Jews had to die? Could the murder have been prevented or its scale reduced had victims or bystanders acted differently?

评论

信息量非常大的一本书，犹太复国的思想启蒙，关于纳粹思想在形成阶段方面的争议，intentionalist和functionalist的争议，关于大屠杀目的性的讨论，犹太人在决定中信息缺失导致的偏差，鲍曼关于现代性和大屠杀观点的概括，有将西方军事干预的危机转嫁给德国内部犹太人的有意思的观点，对bystander立场分析。即便不读原文光看附录的documents就能对大屠杀一些关键性的问题有一些直观的了解，真希望能亲自听听David Engel教授在nyu的课。
