出版时间:2002-11-14

装帧:Paperback

isbn:9780521521000

Sumptuously illustrated in colour and packed with fascinating information, The Cambridge Illustrated History of Ancient Greece is now available for the first time in a revised paperback edition. Offering fresh interpretations of classical Greek culture, the book devotes as much attention to social, economic, sexual and intellectual aspects as to politics and war. Paul Cartledge and his team ask what it was like for an ordinary person to partake in 'the glory that was Greece'. They examine the influences of the environment and economy; the effect of interstate tensions; the implications of sexuality; the experience of workers, soldiers, slaves, peasants and women; and the roles of myth and religion, art and culture, and science and education. This is a cultural history which reveals the far-reaching linguistic, literary, artistic and political legacy of ancient Greece, and seeks justification for Shelley's claim that 'we are all Greeks'.
