著者:Abraham Ascher

出版者:Oneworld Publications

出版时间:2002

装帧:Pap

isbn:9781851682423

From the emergence of the first Slavic state to the conflict in Chechnya and the policies of Vladimir Putin, this is a concise yet thoughtful guide to the complex and turbulent history of Russia and its people.

Paying particular attention to the 300 years following the reign of Peter the Great, Abraham Ascher provides a skilful blend of detail and analysis for all the key points in Russian history, from the Bolshevik Revolution to the coup that ousted Gorbachev. Tying together the major events and trends in this coherent narrative is the theme of Russian identity, its effect on such major figures as Catherine the Great and Joseph Stalin, and its legacy in the post-Communist nation of the twenty-first century.

As both an indispensable reference tool and a sharply penetrating insight into Russia and its people, this introduction will prove useful and enlightening for students, scholars, and travellers alike.

作者介绍:

Abraham Ascher is Distinguished Professor of History at the graduate School of the City University of New York. A highly respected scholar, he is the recipient of numerous awards, and the author of seven books and over thirty articles.

最后一章20世纪50年代后的没有读，果然我喜欢以前的历史，好像有趣的事情都在以前了。这书写得很概要，我这样的看了都觉得挺清晰的。
