

# The Stencilled Home

[The Stencilled Home\\_ 下载链接1](#)

著者:Morris, Helen

出版者:Penguin USA

出版时间:1999-3

装帧:HRD

isbn:9780879519155

Each chapter focuses on one of the 13 themed rooms, from the sumptuous red and gold warmth of the Arabian Nights Bedroom, the cooler navy-blue Nautical Bathroom

with its mural compass of gold, to the soft Grecian Hallway with its repeating anthemion motif and the sophisticated color scheme of muted grays and creams. Each room includes a description of its stencil elements, color photographs of the interior, a step-by-step project sequence exploring an individual stencilling technique and a stencil pack to trace straight from the page. Whether you decide to use the colors and designs from the rooms displayed, or choose to adapt them to your own preferred scheme, The Stencilled Home will prove an invaluable source of design ideas and a practical guide to enhancing your home with unparalleled style.
