For every man who has humiliated himself in public when asked to carve a turkey or fix a leaky faucet, this is the must-have guide to all those essential (and not-so-essential) man skills he never got around to learning. Written in a hilarious style, including illustrations for the trickiest maneuvers, Man Skills provides the answers to the questions most men are afraid to ask. -How to Start a Fire with Two Sticks-How to Beat a Hangover-How to Hit a Carnival Hammer (and Make the Bell Ring)-How to Tie a Bow Tie-How to Pass Yourself Off As Some Kind of Wine Buff-How to Blow a Smoke Ring-How to Undo a Bra Using Only One Hand-How to Survive in Prison-... and much, much more. The perfect guide for the manly man... or the man who needs a little help.
