著者:Aust, Anthony

出版者:Cambridge University Press

出版时间:2013-10-24

装帧:平装

isbn:9781107023840

This new edition of a textbook first published in 2000 provides a comprehensive

account of the law of treaties from the viewpoint of an experienced practitioner. As such, it is the first, and only, book of its kind. Aust provides a wealth of examples of the problems experienced with treaties on a daily basis, not just when they are the subject of a court case. He explores numerous precedents from treaties and other related documents, such as memorandums of understanding (MOUs), in detail. Using clear, accessible language, the author covers the full extent of treaty law, drawing examples from both treaties and MOUs. Modern Treaty Law and Practice is essential reading for teachers and students of law, political science, international relations and diplomacy, who have an interest in treaties.

作者介绍:

Anthony Aust was a visiting professor at University College, London; the School of Oriental and African Studies, London; the London School of Economics (his alma mater); and Notre Dame University, London. For 35 years he worked in the legal division of the British Foreign and Commonwealth Office ending as Deputy to the Legal Adviser. He is now a consultant on public international law to law firms in London and abroad, governments and international organisations.

目录: Introduction;

1. Vienna Convention on the Law of Treaties 1969;
