isbn:9780740767579

George W. Bush's life is presented in chronological order-from infancy to the beer-soaked floor of a Yale fraternity house, and from blowing off his questionable tenure with the National Guard to blowing off his presidential duties. Inspired quotes from the president's inner circle reveal long-simmering tensions between George H. W. and Barbara Bush; Condoleezza's unrequited love; Cheney's descent into madness; and much, much more.
