Dark Horse asked its readers, "Think you've got what it takes to be in comics?" The response was overwhelming. Now, after receiving hundreds of submissions from all over the world, Dark Horse is proud to present five of the coolest, strangest, and funniest stories from a group of undiscovered and underrated newcomers. There's no comic anthology out there like this one. Now's your chance to get in on the new wave of comic contenders who've got what it takes!
