According to Jim and Tim, "If duct tape isn't the answer, then you must be asking the wrong question" To prove it, they have collected the best and funniest questions and answers from the popular Stump the Duct Tape Guys section of their massive Web site ([www.ducttapeguys.com](http://www.ducttapeguys.com)), where real people submit problems that you wouldn't think could be fixed with duct tape. The Duct Tape Guys put on their thinking caps (made entirely out of duct tape, of course) and come up with solutions that never fail to satisfy, or at least amuse, their audience. From broken toasters to broken hearts, the Duct Tape Guys find a way to show that "It ain't broke, it just lacks duct tape."
