著者:Condon, Sean

出版者:Independent Pub Group

出版时间:

装帧:Pap

isbn:9781740663168

In this collection of imaginative and irreverent essays, Sean Condon argues with Colin Powell at a barbecue, explores the mental landscape of a male model, is stalked by Roger Moore, and discusses pretzels with Willem Dafoe. Full of acerbic humor, his unique approach gives any slightly disillusioned reader a delectable taste of the author's well-known wit.
