For those sick of corporate scandals and underhanded business practices, laughter may be the best medicine. A hilarious parody of the classic bestseller Who Moved My Cheese , Who Stole My Cheese?!! offers a little lift in an otherwise challenging situation. Inside is an insipid tale that reveals profound truths about greed. It's a cloying yet inspiring story of four small characters -- two rats and two "loyal employees" -- who are trapped in a "maze" and looking for their share of the "cheese" to sustain them and bring them happiness.
