著者:Michael Moore

出版者:Harper Paperbacks

出版时间:2004-05-01

装帧:Paperback

isbn:9780060987268

In the winter of 2002, *Stupid White Men* took America -- and the world -- by storm. Tired and skeptical of George W. Bush's high approval rating, frightened by the implications of the Enron scandal -- and generally just looking for a voice of honest dissent in the thick atmosphere of jingoism that followed 9/11 -- book buyers from coast to coast swiftly embraced Michael Moore's in-your-face anti-Bush-era manifesto, making it one of the bestselling nonfiction books of the year. With an unerring eye for greed, hypocrisy, and corruption, Michael Moore takes on the whole ugly mess of America at the dawn of the twenty-first century. Whether he's demanding U.N. action to overthrow the Bush Family Junta or calling on African Americans to place whites only signs over the entrances of unfriendly businesses, *Stupid White Men* is a pitch-perfect skewering of our culture of Malfeasance and Mediocrity.
