For those who delight in the rude, who have fun with the foul, nothing could be more entertaining than this unique look at the world's most embarrassing sound and aroma. Illustrated with hilariously subtitled images from silent and other movies, it offers pure, unadulterated amusement. Peruse the 2,000-word glossary of various "farts" and "farters." Find out about Farts in History, and how they changed the world. "The Way of the Third Eye" provides a religious and martial arts guide to farting prowess. To fart or not to fart: that is the question, and a "social directory" answers it. Top Twenty lists present the best fart-related films, books, and songs. Interspersed throughout are boxes featuring facts, quotes, and real-life farters such as Mr. Methane.
