Learn from the pros, as "Write Now! Magazine" editor (and "Spider-Man" scripter) Danny Fingeroth and "Draw! Magazine" editor (and "Batman" artist) Mike Manley join forces for the ultimate "How-to" book on creating comics! Danny and Mike show

step-by-step how to create a new comic from scratch: developing a new character, then going from script and roughs to pencils, inks, colors and even lettering! There's also a section that guides you through the process of getting your comic printed and distributed, and the finished eight-page full-color comic is included, so you can see the final product! This redesigned and expanded version also features over 30 new pages of all new material! A critique of the character and comic from an editor's point of view! New tips on coloring! New and expanded writing lessons! Plus listings of important resources, insights into the world of webcomics and more!
