isbn:9780060953171

In this new compilation, the Simpsons travel to the land of Krustonia, Homer Simpson vies for the Springfield wrestling championship, Mr. Burns clones a plant full of Smitherses, and Homer contracts amnesia and thinks he is Radioactive Man. This is the eighth book in our comic book compilation series by Matt Groening. Here's a look at the Simpsons' latest antics: #28: Come to the land ruled by the funniest man ever to secede from the United States for tax purposes: Krusty the Clown See a page torn from our nation's history and a new chapter taped in neatly so the pages don't stick together #29: Let's get ready to Ruuuuuuuuuuumb! Prepare yourself for a battle royale with cheese as Homer J. throws his fat into the ring in a quest to become the wrasslin' champeen of all Springfield #30: Montgomery Burns has fired every one of his employees and has replaced them with clones of Waylon Smithers Yet, it isn't long before these Smitherses are at each others throats, throwing the plant into chaos as each vies to be the object of Burns' affections Can the one, true Smithers save the plant before it's torn apart by his neatly dressed, gene-spliced brethren? #31: Homer Simpson IS Radioactive Man At least, that's what he thinks after contracting a nasty case of amnesia en route to a costume party. This fusion delusion leads to confusion and forced seclusion in Springfield's foremost mental institution
