We may be a society perpetually on-the-go, but we' ve still got a little downtime when

we go. In just a few short sittings, The Bathroom Professor (TM) series helps make any reader a scintillating cocktail party guest, successful game show contestant, or basic, well-rounded person. This debut title, Philosophy on the Go , introduces all the great philosophers through the ages, from Socrates to Sartre. Wildly entertaining, the fun and informative lessons delve into the philosophies of ancient and moderns alike, and confirm once and for all that Kierkegaard is not a brand of deodorant. Always wanted to brush up your knowledge on life’s biggest philosophical questions? You’re just a few rest stops away from having all the answers.
