

What to Expect When Your Wife Is Expanding

[What to Expect When Your Wife Is Expanding_ 下载链接1](#)

著者: Hill, Thomas

出版者: Andrews McMeel Pub

出版时间: 2007-4

装帧: Pap

isbn: 9780740767524

Complete with weird baby names, tips on how to avoid a sympathetic pregnancy, and a discourse on the evolution of ESPN and the role it plays postdelivery, Hill's tome has been thoroughly revised to account for not only the usual father-to-be questions but also the often baffling and amusing technological and medical advances awaiting today's four million expectant dads. This hilarious month-by-month guide offers new and veteran dads solace, laughter, and a bit of useful information, including a question-and-answer chapter covering basics like "How much does having a baby cost?"; visual charts assessing such things as the breakdown behind the mom-to-be's weight gain; sidebars covering common wife complaints and anticipated purchases; and much more.
