No one walks away from a Close To Home cartoon unscathed. John McPherson's lumpy characters and bizarre situations are tailor-made for gut-splitting laughs. And then there are the cartoons that leave readers shaking their heads, sputtering, "Oh my gosh" as a guilty smile passes across their faces. The Scourge Of Vinyl Car Seats delivers what fans from nearly 600 daily and Sunday newspapers expect from McPherson: jokes about everything from parenting to dating to car repairs. McPherson takes his readers on a journey that's very Close To Home.
