Whether you're feeling cranky, bashful, or maybe even pacified, now you can let the world know with "Baby Mood Swings," the latest follow-up to the best-selling "Mood Swings" and "Holiday Mood Swings." With thirty color photos of adorable baby faces to

choose from, "Baby Mood Swings" is the perfect way to express yourself without throwing a temper tantrum The thick board cover flips open to create a sturdy, free-standing desk easel that can be displayed anywhere. So, whether your mood is sleepy, misunderstood, or maybe even a bit cuddly, put on your baby face and show 'em how you're feeling
