In a Cell Phone Minute is a fascinating collection of intriguing stories revealed by cell phone yakkers and eavesdroppers across the globe. From touching romantic connections, wild lost-and-found escapades, and poignant lifesaving 911 calls to plenty of pranksters antics, absurd customer service calls, and wacky insurance claims, In a Cell Phone Minute perfectly captures the experiences of cell phone users and abusers everywhere. The book's innovative packaging even resembles the very object it pays homage to; it opens vertically like a flip-top cell phone! A few subjects covered in the book: LOL overheard love is in the air where ru? auto misdial saved by the cell lost & found jest kidding ;) In a Cell Phone Minute moves at the speed of sound, with the stories ticking away a cell-phone minute. Featuring the usual cast of loud talkers, accidental calls, and bizarre interruptions, In a Cell Phone Minute roams from the strange to the interesting to the hilarious faster than you can say "Hello?"
