著者:Gross, Sam

出版者:Penguin USA

出版时间:2007-11

装帧:HRD

isbn:9781585679898

Finally back in print in its original form after 30 years Sam Gross's *I Am Blind and My Dog Is Dead* --perhaps his best known and most loved book--is being released in a lavish hardcover introducing a new generation of readers to his unforgettable and original brand of dark humor, little match girls, confused pets, bewildered children and blind men. A long-time contributor to *The New Yorker* , Sam, a legendary pioneer of bad taste, has become one of America's best-loved cartoonists and inspired many to take up the art, including John Callahan. His drawing style is relaxed and free, his use of gray washes is remarkable, his sense of composition, without a single extra element, is unmatched. Sam Gross is a master, and *I Am Blind and My Dog Is Dead* is him at his best. Whether it is already an old favorite or a new discovery, this book will delight readers and have them laughing for a long time to come.
