Proof that truth is stranger than fiction! A wildly entertaining compilation of lists featuring public documents (court transcripts, FBI files, contract riders, morgue and police reports, etc.) that hilariously illuminate some of the important, scandalous, or

bizarre news stories that have captured headlines worldwide in recent years. You'll learn seven things you should never tell a cop, three ineffective ways to kill your spouse, five dumb things to steal, two tales of terrifying toilets, four of Bill O'Reilly's favourite pick-up lines. three gay wedding registries, five of the most embarrassing Bush family arrests, six really bad bosses, four reasons why man is not a dog's best friend...
