Following the bestselling "Bitter with Baggage Seeks Same" and "Going for the Bronze," Sloane Tanen's chickens are back, but this time they've only got one thing on their minds: babies. From epidurals and stretch marks to diaper rash and day care, never before have the joys, trials, and tribulations of having and raising a baby been so ingeniously and truthfully rendered. "Hatched" is the one book you need to keep you laughing through your pregnancy and first year of motherhood.
