Chelle is about to uncover the whereabouts of Virginia's missing ex, Rachel, when Jill is kidnapped by the Nevada Liberation Militia. Yes, those mullet-wearing chicks in plaid shirts hit Chelle up for a \$2 million ransom, or no safe return of Jill. Meanwhile, Jane gets talked into manning the captain's chair of a 1984 Winnebago, on its annual "Priscilla Queen of the Desert" tour to Palm Springs... Only they never make it to Palm Springs Mayhem ensues when guys in drag meet chicks with mullets and guns near the Sedona Vortex where Jane shape shifts into her animal totem and runs like the wind Yeah baby... Girl on girl action, chicks with guns, a vegan menace, vintage Winnebagos and the powerful transformative energy of the Sedona Vortex... this book has it all
