| After a humiliating defeat at the hands of a mouse, Dad is covered in glue traps. Mom & the kids adopt a cat against Dad's wishes and hide it from him. Dad doesn't catch on for days. Baby Jackie demonstrates 15 wrong ways to pick up a cat, then suddenly discovers she's been replaced as the center of her big sister's attention! It's all-out war between the jealous baby and the fuzzy kitten, and no Baker is safe! In this episode, Eisner Award winning Kyle Baker blows the needle off the cute meter! |
