著者:Ross, Pat

出版者:Simon & Schuster

出版时间:1998-3

装帧:Pap

isbn:9780684842271

Ever since the perils of menopause came out of the closet, women have been barraged with books about the subject--many of them helpful, all of them serious. Now Pat Ross considers all the miserable symptoms--hot flashes, mood swings, hormones, and expanding waistlines--and treats them with a delightful touch of humor National print publicity. .
