Professional cartoonist for the Rochester Post Bulletin and syndicated throughout the Upper Midwest, Ed Fischer lends his perspective on what it means to be a Minnesotan. Clever cartoons illustrate the stamina, fortitude and practical nature of residents of the land of 10,000 lakes such as....You know you're a Minnesotan if.....you think you've helped the family food budget by bringing home a couple of ducks from an \$800 hunting trip....you consider the opening day of fishing a religious holiday
