Especially for armchair (or throne room) travelers and trivia buffs, Uncle John has compiled over 300 pages of interesting stories, little known facts, and gossip tidbits about the Lone Star State. This outsize state has no shortage of tall tales, colorful characters, and strange tourist attractions, and readers in any room in the house will be fascinated with the doings of Ima Hogg, George and George W., the Great Mosquito Festival, the first oil well, the Confederate Air Force, Larry McMurtry, LBJ, ZZ Top, Nolan Ryan, the Cadillac Ranch, the Dallas Cowboys (and Cowgirls), and much, much more.
